

## TAVARO BAR

The spacious and bright Tavaro Bar is a multi-functional area with direct access to the Cube. It can be used separately for receptions or cocktail dinners and is ideally suited to aperitifs or drinks after a dinner in the Cube. This fully convertible area can also be configured as a lounge bar or a dance floor. The Tavaro Bar boasts impressive bay windows that lead directly to an uncovered outdoor terrace. The terrace can also be fitted out or used to install a marquee.

### Atrium

The Atrium is a monumental room measuring 18 meters in height. It is bathed in top lighting and offers an unobstructed view of the interior of the building. Color spot lights can be used to create original scenographies and to illumine the impressive glass canopy that covers the main entrance to the building. There is a 1,500 kg anchor point in the Atrium. An automatic cloakroom for more than 1,500 people is also available.

### GROUND FLOOR AND OUTDOOR TERRACE
